

## *Hospital Dentistry*

Your doctor has recommended hospital dentistry for your child due to his or her young age or extensive dental treatment required. Hospital dentistry is sometimes the best option for your child to promote cooperation and provide the best treatment without the long term dental anxiety.

- \* Your child is placed on a waiting list today. The wait time for a hospital appointment is 2-3 months. Our office will always try to minimize your waiting period.
- \* If your child is experiencing dental pain, contact our office. Your doctor can help make your child comfortable until your hospital appointment.
- \* You will be given a packet today about Franciscan Hospital for Children.
- \* Our office will contact you one month before your hospital appointment so that you can schedule a physical for your child with his/her pediatrician.
- \* Any insurance copayment or refundable deposits must be made to our office one week prior to your hospital appointment.
- \* If you need to reschedule your appointment, contact our office immediately, so that other children can be schedule on the waiting list.
- \* Please advise our office if there is a change in your address or phone number so we can contact you for your child's appointment.
- \* ***Our office can not reschedule your hospital appointment or refund back your deposit if you missed your hospital appointment without notice.***
